

Happy Fall

Plant these Red Emperor bulbs and announce the arrival of spring in your hometown.

How to Plant

All bulbs must be planted in the same way because this is a scientific study.

- Bury bulbs 7" deep, pointed side up
- Plant in an open area that represents your local climate

Report to Journey North

- 1) The date your garden is PLANTED
- 2) The date your first tulip EMERGES
- 3) The date your first tulip BLOOMS.
